SUBJECT: ARGENTINA ON IAEA SAFEGUARDS COMMITTEE

REF: STATE 25590

POLOFF delivered reftel points February 23, (including the draft action plan for the Committee on Safeguards and Verification), to Claudia Corti in the MFA's Office of International Security, Nuclear, and Space Issues. Corti thanked the U.S. for coming up with a draft action plan, agreeing that the December BOG meeting with respect to the CSV had not been productive. She said our draft action plan appeared fine in principle, but would get back to us if she had any specific questions.
